

Admission Guide of CSC Scholarship High-level Graduates Program

2023

CHANGCHUN UNIVERSITY

Introduction

Changchun University is located in Changchun, Jilin Province, which is known as the "Spring City of the North", and is a comprehensive university with rich heritage and distinctive features.

The university has three campuses, covering a total area of 1.02 million square meters. There are 21 teaching colleges, 60 undergraduate majors, 8 master's degree authorized first-level disciplines, and 12 master programs of professional degree. The majors cover ten major disciplines: economics, law, education, literature, science, engineering, agriculture, medicine, management, and art. There are 17,525 full-time students in school.

The university has 865 full-time teachers, including 120 senior professors and 291 vice-senior professors; 259 teachers with doctoral degrees and 496 teachers with master's degrees. The school has 48 high-level talents of various types, such as senior experts directly connected with the central government, national experts with outstanding contributions, special allowance recipients of the State Council, new century talents of the Ministry of Education, national technical experts, provincial senior experts, provincial top innovative talents, provincial experts with outstanding contributions, Changbaishan scholars and Changbaishan skill masters.

The university insists on internationalization and carries out international cooperation and exchange extensively. It is the first batch of higher education institutions with the qualification of accepting

international students, and has established friendly cooperation with 130 universities, educational institutions and enterprises in 26 countries and regions. Now the university is qualified to accept international students under the Chinese Government Scholarship, International Chinese Language Teachers Scholarship, Jilin Government Scholarship and Silk Road Principal Scholarship Program.

- ❖ Applicants applying for master's degree with Chinese as the major teaching language must have Chinese language proficiency up to HSK Level 4.

Application and Admissions Process

Step 1: Applicants submit their applications online at the Changchun University International Student Service Platform.

Applicants must register for an account on the Changchun University International Student Service Platform before February 20, 2023, fill in their personal information accurately, and click "Submit" to complete the online application.

This year's enrollment is taken online, applicants should ensure that the materials submitted online are consistent with the original documents. Complete application materials will be given priority in the next round of review. For details of the application materials, please refer to Annex 2. If the materials are not uploaded according to the requirements, the application will be considered invalid.

Changchun University International Student Service Platform:

<https://ccu.at0086.cn/StuApplication/Login.aspx>

Step 2: Applicants submit their applications online on the Chinese Government Scholarship Management Information System for Studying in China.

Login to the "Online Application Information System of the China Scholarship Council", register an account and fill in the application information, then submit the electronic version of the "Chinese Government Scholarship Application Form" (in Chinese or English). After the application is successful, submit the electronic version of the

Chinese Government Scholarship Application Form to our university's contact email address (attached).

Changchun University's "Receiving Institution Number" is **11726**.

Online Application Information System of the China Scholarship

Council: <https://studyinchina.csc.edu.cn/#/login>

Step 3: International Education College of Changchun University preliminary examination.

Before March 3, the College of International Education will conduct item-by-item review of the application qualifications according to the admission requirements, focusing on academic background, language proficiency, identity qualifications, health status, etc., and will consult the teaching colleges for review.

Step 4: Teaching colleges review, remote online interview or written examination.

Before March 15, the teaching and training unit will organize experts to review the applicants' academic performance, research ability, language proficiency, academic background, comprehensive quality and development potential, select outstanding applicants for remote interview or written test, and send the results back to the International Education College.

Step 5: Publicize and recommend candidates.

On March 20, the International Education College will publicize the assessment results and submit the recommendation list to the China Scholarship Council.

Step 6: Final examination by experts organized by the China Scholarship Council.

The CSC organizes experts in relevant disciplines to make final examination of the applicants' academic performance, comprehensive quality and development potential, and selects the best applicants for admission.

The scholarship applicants who are not accepted will be given priority if

they wish to declare our self-funded program.

Step 7: Release the admission result

The International Education College of Changchun University releases the admission results.

Application Deadline

February 20, 2023

Precautions

1. Chinese government scholarship students are not allowed to enjoy other scholarships (excluding all kinds of one-time awards) set up by Chinese governments and institutions at all levels, once found, their Chinese government scholarship status will be cancelled and they must return the scholarship they have received. For those who deliberately conceal their financial support, in addition to disqualification, they will not be allowed to apply for Chinese government scholarships within three years.
2. Once accepted, scholarship recipients are not allowed to change their major, study period or language of instruction.
3. Accepted students must complete the registration and reporting procedures in strict accordance with the school's regulations, and scholarship status will not be retained if they do not register on time as required.
4. Students who do not obtain the appropriate graduation or completion certificate on time or fail the medical examination will be disqualified from admission.
5. Scholarship students must attend the annual evaluation after entering the school, and the evaluation results will be used to confirm whether to fund, suspend or cancel the scholarship qualification in the next academic year.

Annex 2

List of application materials

1. **Copy of passport home page.** If the validity of the applicant's current passport does not meet the requirement (meaning the passport expires before September 2023), please apply for a new passport before submitting the application.
2. **Notarized highest diploma.** Prospective diploma winners must submit official proof of student status by their current school. Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations.
3. **Academic transcripts (from the undergraduate program onwards).** Copies of academic records from first to last semester during the undergraduate, graduate (if any), and doctoral programs (if any) shall be provided. These transcripts shall be issued and sealed by the attending university's academic affairs office, graduate school, or student management department. They can be in Chinese or English, but must be attached with notarized English translations if they are in foreign languages other than English.
4. **Language qualification certificates.** Applicants for Chinese-taught programs must submit valid HSK reports in accordance with the corresponding Chinese proficiency requirements.
5. **A study plan proposal.** A study plan written in Chinese or English shall contain more than 1,000 characters or words; the proposal of a doctoral student shall be signed by the applicant's Chinese supervisor;
6. **Recommendation letters.** Two letters of recommendation (written only in Chinese or English) from professors or associate professors shall be submitted. These letters shall describe the applicant's objectives of learning in China, comprehensive abilities, and evaluation of future growth, as well as the cooperation between the supervisors or the exchange between universities both in China and abroad.

7. A photocopy of the Foreigner Physical Examination Form completed in English (the original copy shall be kept by the applicant).

The form is designed by the Chinese quarantine authority and can be obtained from the dispatching authority. The physical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital, or a sealed photograph of the applicants are invalid. Please select the appropriate time to take a physical examination as the result is valid for only 6 months.

8. Non-criminal record report. The applicant shall submit a valid certificate of Non-Criminal Record issued by the local public security authority, usually issued within 6 months prior to the submission date of the application.

9. Example of art. To apply for majors related to art or design, applicants could submit their own works through “Example of Art/Other Supporting Documents” in the system. Applicants could also provide such materials to the applied universities directly in other ways.

10. Application Form for Chinese Government Scholarship (in Chinese or English).

Reminder:

1. Uploaded supporting documents must be clear, authentic and valid. Applicants are recommended to use a professional device to scan the relevant documents. Applicants shall bear the consequences caused by unclear or unidentifiable uploaded materials.

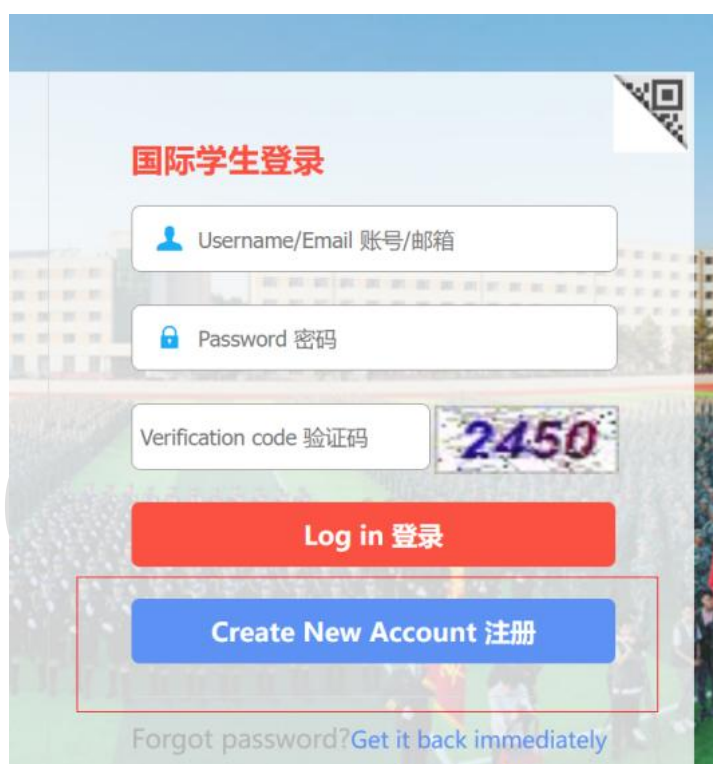

2. If you are unable to upload the Foreigner Physical Examination Form and the Certificate of no-criminal record report during the submission period due to time constraints, please contact Changchun University.

Changchun University International Student Service Platform

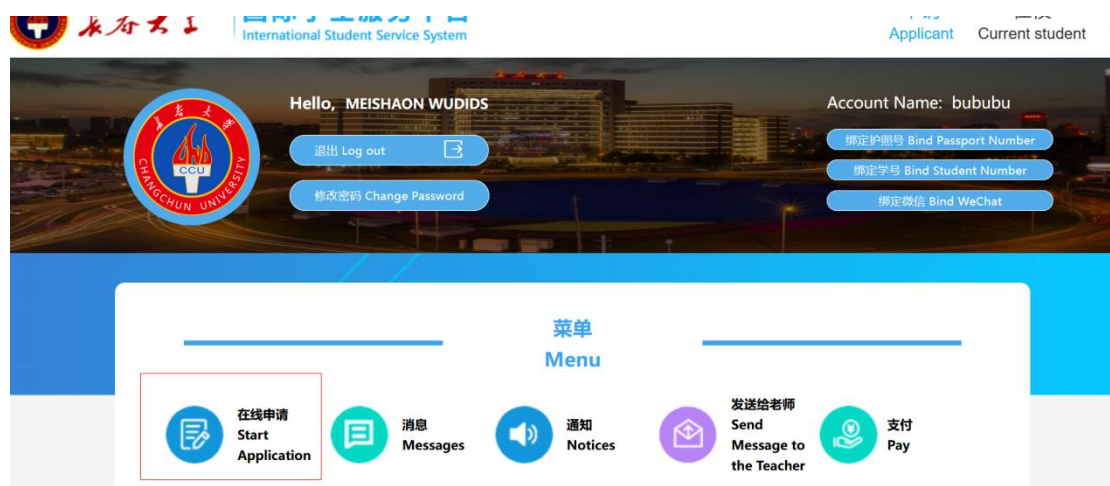

1. Login to Changchun University International Student Services Platform and register.

<https://ccu.at0086.cn/StuApplication/Login.aspx>

The screenshot shows the login and registration interface for the Changchun University International Student Service Platform. The page is titled "国际学生登录" (International Student Login) in red. It features a QR code in the top right corner. Below the title, there are three input fields: "Username/Email 账号/邮箱" (with a person icon), "Password 密码" (with a lock icon), and "Verification code 验证码" (with a box containing the number "2450"). There are two main buttons: a red "Log in 登录" button and a blue "Create New Account 注册" button. A red box highlights the "Create New Account 注册" button. At the bottom, there is a link: "Forgot password? Get it back immediately".

2. After registration, enter the application system and click “Start Application”.

The screenshot shows the dashboard of the Changchun University International Student Service System. The top navigation bar includes the university logo, the name "长春大学" (Changchun University), and the system name "International Student Service System". On the right, there are user roles: "Applicant" and "Current student". The main content area features a greeting "Hello, MEISHAON WUDIDS" and the account name "Account Name: bububu". There are several utility buttons: "退出 Log out", "修改密码 Change Password", "绑定护照号 Bind Passport Number", "绑定学号 Bind Student Number", and "绑定微信 Bind WeChat". A "菜单 Menu" section is visible, containing icons for "在线申请 Start Application" (highlighted with a red box), "消息 Messages", "通知 Notices", "发送给老师 Send Message to the Teacher", and "支付 Pay".

3. Click "I agree" to read the "Information on Online Application for International Students to Study in China", select "Chinese Government Scholarship" and click "Next".
