ANNEX 3
RESEARCH PAPER FORMAT

1. Participants of the Conference should present the original research paper, which would either be written specifically for the Conference within the announced topic, or previously not published research paper.

2. **Document format**

    All parts of the research paper must be contained in a single file. Research papers must be in Microsoft Word format and have a .doc or .docx file extension. Research papers that do not conform to this rule, such as research papers in PDF format or using a .dat file extension, will not be accepted.

3. **Paper Size and Margins**

    All pages of the Research papers must be A4 size, 8.5 x 11 inches (21 x 29.7 cm), with equal margins of 2.54 cm on all four sides. The Organizing Committee may reformat a Research paper that does not comply with this rule. Participants are advised that such reformatting may result in changes to pagination and layout.

4. **Font and Font Size**

    The font and size of the text of all parts of the Research paper, excluding the Cover Page, but including the footnotes, must be in Times New Roman 12-point, double-spaced.

5. **Parts of Complete Research Paper**
    a. Cover page
    b. Abstract
    c. Paper

d. List of references

6. List of References

The List of References must contain all the legal authorities cited in any part of the Research paper and must indicate the page number(s) of the Research paper on which each authority is cited.

7. Length

The length of the Abstract shall not exceed 500 words. The overall length of the Research paper
